Recommended: ME 410 before or concurrent w/ ME 435

*This flow chart is meant to be a guide for planning; use in conjunction with official degree audit. Please note that some courses require a C or better. For additional information on official degree requirements see www.bulletins.psu.edu.

P = prerequisite
C = concurrent

Courses applied toward major GPA calculation

ME Course Sequencing

- Thermal Sciences
- Imbeded Labs
- Dynamic Systems
- Design Concentration

Note:

Completion of EMCH and MATH courses before the 5th semetser is important for future course sequencing
EMCH 210 or EMCH 210H is **not** a direct substitute for EMCH 211 & 213 requirements and should not be taken for ME_BS
